

Enterprise Skills – a new FREE course

- Want to become more enterprising within your existing job?
- Threatened with or facing redundancy and need to develop new skills and knowledge?
- Considering becoming self-employed and setting up your own business?
- Already self employed and want to improve your skills and grow your business?
- Have an idea for a business and want to do something with it?
- Develop new skills and knowledge, enhance your existing skills and knowledge, become a more entrepreneurial and enterprising person, gain new friends, share ideas, develop opportunities and learn from others.
- Tap into University resources and opportunities – a space for your new business in the University's Enterprise Centre perhaps?
- Gain University credit for your learning.

A unique course in the Humber region, designed to help make you a more enterprising person. The course runs over six weeks, one afternoon per week with the first ones starting on Wednesdays and Fridays November and early December from 1:15 to 4:30pm. Contact us for further details.
